Sports Officer

Union Council – February 2008

AU Dinner

The clubs have identified the two people they would like as an after dinner speaker, they are Gordon Banks and Henry Cooper. Clubs are submitting table deposits as we speak.

Sports Science support

Have had a couple of meetings to develop the links, next year we will have some psychology support as well as nutrition along side the strength and conditioning. A lot of this will take place in pre season week and some criteria will have to be set as money, resources, time and space are all being given to us free of charge.

AU Strategy

It seems sense when entering into a joint strategy we would have to have our own so at the moment I am working on a 5 strategy to try and ensure consistency within the sports sabbatical role over the next few years. We are taking everything we do, breaking it down and then evaluating how we can improve it. Club feedback has been sought with Au council ending up with a few breakout sessions for the clubs.

Navy facilities

Have been in contact with the new guy at HMS Temeraire regarding the AU using navy pitches, we have set a meeting for a couple of weeks time but it may result in us using higher quality pitches perhaps for a cheaper price.

Varsity

Will take place on Wednesday the 27th, lots of sports in one place, should be a good day to be had by all! Please come down and watch!

AU awards

Open at the start of next month, the clubs have been advised.
